

PROVIDING FOR THE CONSIDERATION OF H.R. 1675, THE
NATIONAL WILDLIFE REFUGE IMPROVEMENT ACT OF 1995

APRIL 23, 1996.—Referred to the House Calendar and ordered to be printed

Mr. GOSS, from the Committee on Rules,
submitted the following

REPORT

[To accompany H. Res. 410]

The Committee on Rules, having had under consideration House Resolution 410, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 1675, the “National Wildlife Refuge Improvement Act of 1995” under an open rule. The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Resources.

The rule makes the amendment in the nature of a substitute by Rep. Young of Alaska printed in the Congressional Record on April 16, 1996 as amendment numbered 1 in order as an original bill for the purpose of amendment under the five-minute rule. The rule further provides that each section of the amendment in the nature of a substitute be considered as read, and waives points of order against the amendment in the nature of a substitute for failure to comply with clause 7 of rule XVI (germaneness).

The rule accords priority in recognition to Members who have pre-printed their amendments in the Congressional Record. Amendments so printed shall be considered as read.

Finally, the rule provides for one motion to recommit with or without instructions.
